CLAREMONT

DEEP CLEANING : CLAREMONT SAPS : 16 APRIL 2021

1. On 16 April 2021 our station welcomed a cleaning company, namely Kamali Cleaning Services , that was sponsored by Harfield Community Improvement District to deep clean the station.
2. The premises of SAPS lacked deep cleaning, and the reason for this was, due to old and broken equipment as well as personnel issues. The station has currently three cleaners on hand. One of them is long off sick due to an injury on duty, the other is over 60 years of age and is on rotation due to COVID 19 protocols. The remainder of the three is a female who is currently being tasked to clean the whole station, which is a lot for one particular cleaner to handle.
3. On behalf of Claremont Police members , I would like to thank our Sponsor Harfield Community Improvement District for their generosity in employing a cleaning company to come and deep clean the station .
4. The walls, carpets and windows were professionally cleaned, and it made a huge difference to the cleanliness of the station. Our cleaner tasked to clean the station will continue to ensure that the station premises is clean on a daily basis.
5. The cleaning company were experts in their field, as we noticed the before and after results. It was therefore evident that the cleaning of the station was necessary.
6. Regards

.....Col

M Louw
